A warm welcome to Stowmarket Table Tennis Club. We very much hope that you will enjoy taking part in our activities and being a member of our club.

You can always find lots of information on our website – see the address at the top of the page. If there is anything further that you would like to know about please approach one of the committee members who will be only too pleased to help; contact details are further down the page.

The club is part of PremierClub at Participation level - the English Table Tennis Association's national programme for club development. To help us achieve high standards in the organisation the club has adopted ETTA guidelines and policies in several areas such as: equity and child protection, health & safety, codes of conduct and roles & responsibilities for volunteers. We are proud of our success in being named ETTA PremierClub of the year for the Eastern Region in 2002 and in the same year we jointly won the national award. In 2005 we were awarded Sport England Clubmark status, the first for table tennis in the Eastern region, Clubmark has been retained each year since.

The smooth running of the club relies heavily on volunteers. If you would like to play your part, please contact a committee member. You are strongly urged to offer your services in some capacity as too much is still done by too few.

Finally, we are always looking for ways to improve and would welcome your ideas and input.

Enjoy your Table Tennis!

Lee Balaam
Chairman

Kit & Equipment

The following club member acts as an agent for a table tennis supplier. If you are looking for a bat, balls, clothing, etc you are unlikely to get the best at the best prices from a local sports shop so it is worth speaking to Lee.

Parents, please avoid a potentially expensive mistake by asking for advice before buying equipment for your children, all committee members will be happy to help.
